

CHPTA MEMBER PROGRAMS

Turn your retailers' POS data into results, *fast*

"Krunchbox provides us dependable weekly product and store-level insights, in a user-friendly and actionable format, that we use to improve collaboration with our retail partners and pinpoint new sales opportunities."

Francis Malboeuf - AGT Products Inc.

90% OF SUPPLIERS SAY THEY COULD BE DOING MORE WITH THEIR RETAILERS' POINT-OF-SALE-DATA. NOW IS YOUR CHANCE TO "DO MORE" -- WITH THESE EXCLUSIVE KRUNCHBOX OFFERS FOR CHPTA MEMBERS.

1 6 Month Free Dashboard "Lite" Program

As part of this exclusive free trial program, CHPTA members will gain access to a series of sales and inventory dashboards that bring to life the weekly Point-of-Sale data you're currently receiving from your retail partner(s).

Your participation in this program includes one retailer to analyze, ongoing training materials, all our in-program training tools, and program support.

You'll have access to multiple dashboards, including:

- Overview of last week
- Category results last week
- Product results last week
- Weekly headlines
- 13-week sales trend
- Top 20 products
- Unproductive store stock
- Stores out-of-stock
- Stores in-stock positions
- Stock suggestions
- Etc.

You can add retailers to your dashboard program anytime for a small fee.

Choose your retailer:

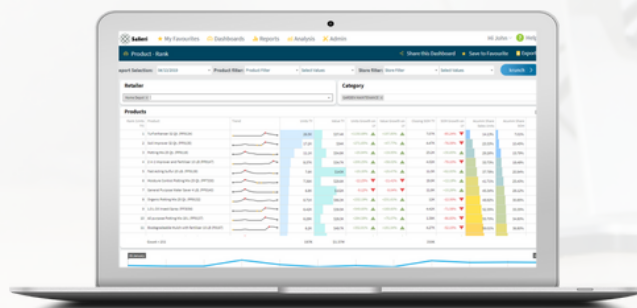

2 Full Program Access - Preferred Member Pricing

When you're ready to move from the CHPTA dashboard program or if you need a more robust solution right out of the gate, CHPTA members receive preferred pricing on our full program access. For example: load and analyze any 4 retailer's results and pay for 3.

Your full program access includes:

- 50+ dashboards
- 15+ detailed reports
- Data Analysis tools
- Product allocator module
- Store Based Mobile App
- Dashboard Tablet App
